

## SloanLED for signmakers Spetses

13-15 June 2024

We are pleased to invite you for a 2 days event hosted by SloanLED on the Greek island of Spetses.

What to expect:

- Difference between LED in the market
- Presentation of a new, market leading LED sign products.
  - Presentation of a new, architectural product range.
- Presentation of a market leading LIFE OF SIGN warranty.

# Dear Customer & Partner,

We would like to inform you about our upcoming SloanLED event in Spetses.

We are inviting leading signmakers across Europe on Thursday June 13 for two inspiring days at the Anargyrios and Korgialenios school of Spetses.

During the event we will

- inform you about the latest products and innovations in the LED sign industry.
- present a brand-new family of LED modules that will lower the cost per sign.
- present a market leading range of light box solutions and when to use which of the options.
- present a new range of architectural border tubes with field cut options.
- present a range of lighting system products suitable for the petroleum industry.
- present the new SloanLED "Life Of Sign" warranty.

If you are interested in participating in this event, please contact your regional sales representative about the details and to sign-up.

Looking forward seeing you in Spetses.

## About the accomodation

The event takes place at the ANARGYRIOS and KORGIALENIOS SCHOOL of SPETSES.

The school is a historical and cultural heritage site of the island of Spetses, which was established in 1923 on a picturesque 120.000m<sup>2</sup> parcel along the northern coastline of the island. It is found in an enclave of unique natural beauty, surrounded by pine forests and olive groves and embedded with beautiful gardens throughout.

People will fly into Athen on Thursday June 13 and greeted by SloanLED at the airport. SloanLED will be arranging the transportation between Athen and Spetses as well as handle the accommodation, and host lunch and dinner throughout the event. Return and check-out is Sat June 15.
